**25 - 29 June**  
NAIDOC Week

## TERM 3 2022

**18 July**  
School Development Day  
NO STUDENTS ATTEND

## FROM THE PRINCIPAL - MRS GRACE ADAM

Dear Parents and Community Members,

Thank you to all for your support and assistance this term. It's been a busy, but productive term, filled with many exciting positive school and community activities. The school holidays are almost here.

I'd like to acknowledge families for your continued support and assistance as we continue to navigate the current climate and manage an increased number of Covid-19 cases in and around the school. Over the past few weeks we have successfully worked through a number of scenarios, and will no doubt continue in term 2. Please be aware that there is a high possibility that your child's daily timetable may change as we continue to adapt and manage increasing staff shortages due to Covid and non-Covid related leave as we work through this busy time. Your patience and understanding is greatly appreciated, and thank you to the many families that have sent in notes of encouragement and thanks to staff. These small gestures are always helpful and kind at the moment.

In the event that the school needs to contact families and carers with information regarding confirmation of a positive case and/or likely close contacts you will receive a message via **Connect**.

**Connect** is the quickest and preferred method by which we can notify you. Some families are yet to download **Connect**, and we seek your cooperation in attending to this please. Following on from the first message notification, further information and instructions from the school will then follow using a Department of Education template

Please ensure that you are checking your emails regularly, and it's essential that we have your current contact details on record. Thank you for your cooperation.

As we head into the final week of term, let's continue to work together to ensure that we finish on a very positive note and continue to bring "our best" to what we do and how we interact with one another.

Thank you to our wonderful P&C for the great work this term with special events, Easter Parade and the start of the canteen services. You are all amazing.

To the School Board for your work, support and advice you provide to ensure the school is working together to achieve the Business Plan targets. The Board would like to thank all the incredible staff at CVPS for their dedication to keeping our kids safe and life normal as possible in what has been an extremely difficult term.

The new Principal has been appointed to Clayton View Primary School and I would like to congratulate Christopher Stratton on his permanent appointment. Christopher comes to CVPS with a wealth of experience and is looking forward to working with staff, students, parents/carers and community.

Finally, I would like to say thank you to all for your support, advice and chats this term. I will miss everyone. I wish our staff, students, parents and community a safe and fun holiday, especially as Easter is around the corner celebrating new life and for some lots of chocolates. Continue to be kind to each other and the strong community sense of belonging.

Kind regards,  
Mrs Grace Adam  
Principal

Every day counts

SCHOOL SUCCESS STARTS

## Naplan 2022 Term 2 Year 3 & Year 5 update and information

The National Assessment Program – Literacy and Numeracy (NAPLAN) is an annual assessment for students in Years 3, 5, 7 and 9. The assessments this year are timetabled for the 10 May – 21 May.

NAPLAN is a nationwide measure through which parents, teachers, schools, education authorities, governments and the broader community can determine whether or not young Australians are developing the literacy and numeracy skills that provide the critical foundation for other learning and for their productive and rewarding participation in the community.

NAPLAN results allow parents/carers and educators to see how students are progressing in literacy and numeracy over time – individually, as part of their school community, and against national standards.

The tests provide an important contribution to monitoring and evaluating the performance of schools and school systems in these fundamental capabilities. They also provide schools, states and territories with information about how education approaches are working, the areas to be prioritised for improvement, and those schools requiring support in the teaching and learning of literacy and numeracy.

The results can assist teachers by providing additional information to support their professional judgement about students' levels of literacy and numeracy attainment and progress.

NAPLAN tests are one aspect of each school's assessment and reporting process and do not replace the extensive, ongoing assessments made by teachers about each student's performance. Each teacher will have the best insight into their students' educational progress. Parents/carers can use NAPLAN reports, along with other school assessment reports, to discuss their child's strengths and areas for improvement with their teacher.

NAPLAN results do not measure overall school quality.

<b>Test</b>	<b>Scheduling requirements</b>	<b>Duration</b>	<b>Test description</b>
Writing	Year 3 students do a paper-based writing test (on day 1 only)  Year 5 must start on day 1 (schools must prioritise completion of writing across days 1 and 2 only)	Year 3: 40 minutes  Year 5: 42 minutes	Students are provided with a 'writing stimulus' (sometimes called a 'prompt' – an idea or topic) and asked to write a response in a particular genre (narrative or persuasive writing)
Reading	To ensure online schools are able to complete NAPLAN tests within the nine-day testing window, Years 7 and 9 students can start with reading on day 1; however, writing must start on day 2 as the writing test takes priority over any rescheduled reading tests from day 1  To be completed before the conventions of language test	Year 3: 45 minutes  Year 5: 50 minutes	Students read a range of informative, imaginative and persuasive texts and then answer related questions
Conventions of language	To be completed after the reading test	Year 3: 45 minutes  Year 5: 45 minutes	This test assesses spelling, grammar and punctuation
Numeracy	To be completed after the conventions of language test	Year 3: 45 minutes  Year 5: 50 minutes	This test assesses number and algebra, measurement and geometry, and statistics and probability

Congratulations to the  
following students:

## Honour Certificates

Mathias—PP	Austin—PP	Aubree—Year 1	Madison—Year 1
Zahn—Year 2	Michael—Year 2	Mia—Year 3	Courtney—Year 3
Jude—Year 5	Justice-Rose—Year 6	Christine—Year 6	
Max—PP	Saxon—PP	Katie—Year 1	Keanu—Year 1
Neihana—Year 2	Brooklyn—Year 2	Amanda—Year 2	Charlotte—Year 3
Isla—Year 4	Liam—Year 4	Tyrone—Year 6	Taiya—Year 6

## Positive Behaviour Support

As we near the end of the term, staff and students are looking forward to reward day on Thursday.

Students who are eligible for good standing will enjoy a special lunch provided by the school. Good Standing is a status all Clayton View students are granted at the beginning of each term.

To maintain Good Standing students must:

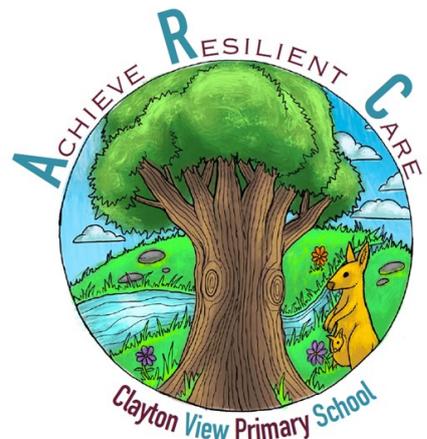

- Display school expectations.
- Display individual classroom expectations and or plans.

The PBS committee have been working hard and have released the nominated milestones for students to receive ARC badges.

ARC badges were trialled last year and this year students start afresh with their totals. Students will be presented with badges as they reach the following milestones:

1. Bronze - 750
2. Silver - 1,500
3. Gold - 3,000
4. Platinum - 6,000
5. Double Platinum - 12,000

These badges will be presented at assemblies next term and excitedly we have students very close to achieving their bronze badge!

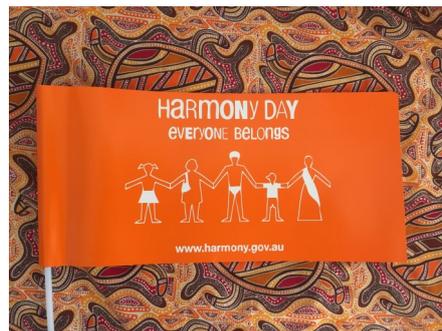

# Harmony Week

Congratulations to our Harmony Week poster competition winners:

Kindy	Hannah—Room 1
Pre-Primary	Ruby—Room 2
Year 1	Kyah Searle—Room 2
Year 2	Raleigh—Room 3
Year 3	Charlotte—Room 4
Year 4	Buddy—Room 6
Year 5	Helena—Room 7
Year 6	Thea—Room 7

Highly Commended:

Saxon—Room 1	Ariella—Room 4	Tasaria—Room 3

Kaya!

We have been busy implementing phase 2 of the Moombaki Cultural Learnings project this term. Prof. Cheryl Kickett-Tucker and Research Assistant, Charlene Carlisle have visited the school and along with myself, have held yarning circles with selected Aboriginal students to gain the student perspective and ideas of what cultural learning means to them, what they would like to learn and how they would like to learn it. With much excitement and enthusiasm, the students embraced the project and had so much to say we had to introduce a talking stick to stop them all speaking at once! The students had some amazing ideas and I am looking forward to the sessions with our junior students.

Term 2 is a busy one on the indigenous calendar with Sorry Day, Reconciliation Week and NAIDOC events. If you would like to have a say or be involved in how we acknowledge these events at our school, I'd love to hear from you. Please come and see me or contact me via Administration.

**Kellie Fowler**  
Aboriginal and Islander Education Officer (AIEO)

Our senior Moombaki students posing as different Aboriginal totems.

## Chaplain's Note

Co-regulation

"When their chaos meets our calm, co-regulation occurs"

Co-regulation is a warm and responsive interaction that provides support and brings about a sense of calm for little people when they are struggling with big emotions.

Not all children respond as quickly or perfectly as the one in the above picture - life is not always so simple!

However, it does illustrate the importance of remaining calm, staying close and providing comfort and support when our children need it most.

As we prepare for the upcoming Easter season, and the possibility of a few more meltdowns, let's remember that our children's *little* minds and hearts need our *big* minds and hearts to guide them through their challenges.

Enjoy your holidays everyone and I look forward to seeing you all back next term!

Ms Fi (Mrs Fiona Langley) – School Chaplain

## CONNECT

Please remember to check your emails for notifications from Connect.

Connect is a secure online environment developed by the Department of Education for staff, students and parents in public schools.

Connect will keep you updated with important information. Notices for things like upcoming events, excursions, classroom activities, photos and stories can be sent to you via email or, if you prefer, via a push notification on your phone.

The Connect Now app which can be downloaded from the **Apple App Store** or **Google Play**.

If you have recently changed your email address, please let us know by phoning **9257 0800** or emailing [claytonview.ps@education.wa.edu.au](mailto:claytonview.ps@education.wa.edu.au) so we can update our details.

# ONLINE SAFETY WORKSHOP
